

# 5 THINGS YOU MUST DO AT Colleton State Park

- 1 Walk the Cypress Swamp Nature Trail, a short 0.3 mile loop trail, where you can identify trees and plants as well as spot native wildlife.
- 2 Canoe or kayak down one of the longest blackwater rivers in the country, the Edisto River.
- 3 Educate yourself about this Civilian Conservation Corps-built park by visiting the resource center or reading an interpretive wayside.
- 4 Read a book or enjoy a picnic along the Edisto River or under the shade of a tall pine tree.
- 5 Enjoy fishing from the bank or from a boat in the Edisto River for bream, redbreast or catfish.
