

SOUTH CAROLINA'S

KINGS MOUNTAIN

STATE PARK

A big, hilly, woodsy park with lots to do, Kings Mountain State Park has been a regional favorite for generations.

Built originally by the Civilian Conservation Corps in the 1930s, Kings Mountain has miles of trails, equestrian facilities, group camping, campgrounds, two fishing lakes with boat rentals and the popular Living History Farm.

The farm is a realistic replica of a typical Piedmont farm from the early to mid 1800s. Buildings include a house, barn and gin, and there are gardens and animals, including cows, chickens and a bunch of friendly cats.

Regularly scheduled special events at the park bring in local crowds and the park also is adjacent to Kings Mountain National Military Park, site of a pivotal Revolutionary War battle.
