Sadlers Creek Park Rangers would like to ask all trail users to keep a few points in mind:

- Use only established trails. Creating your own trail creates erosion & damages habitat
- Pets must be leashed at all times
- Closing hours are at 9:00pm (6:00 during Daylight Savings)
- Communicate with other bikers & hikers
- Helmets are required when mountain biking
- Bicyclist must yield to runners & hikers
- Downhill traffic yields to uphill traffic

We enjoy seeing all types of visitors and recreation. Help keep our park safe and fun to maintain a quality outdoor experience for all.
