

SOUTH CAROLINA'S
HICKORY KNOB
STATE RESORT PARK

What would you call a state park that offers 18 holes of lakeside championship golf, tennis, skeet shooting and archery, a swimming pool, full-service restaurant and meeting facilities and more than 70 lodge rooms?

That would be Hickory Knob State Resort Park.

The only full-service resort in the S.C. State Park Service, Hickory Knob rests on rolling, wooded shoreline alongside 70,000-acre Strom Thurmond Reservoir on the Savannah River: South Carolina's "West Coast."

The park's amenities also include a boat ramp, campgrounds and one of the state's most popular mountain biking trails. Serene and tucked away, location is another plus for this destination, with picturesque, historic small towns such as Abbeville and Greenwood nearby and Augusta and Anderson (and Clemson) just an easy drive away.
